Friday February 14th

Happy Valentine's Day

We will be open! I hope you spend this special day with the ones you love. Also, if you know someone who doesn't have a loved one of their own – maybe you can spend part of your day making them feel special too.

Just as day follows night, spring and summer will follow this cold, snowy winter. With spring brings recital preparations. Recitals are our way of sharing with you just a little of what your child is learning in dance class besides learning to dance. They learn skills to last a lifetime: waiting their turn, following direction, being a team player and discipline. They will be challenged going from comfortable to unsure and then succeeding. To challenge is to inspire a person to do more than they normally would. Teachers do this in school, bosses at work and teachers at the studio. When you are challenged both mentally and physically and you succeed, you become more confident. Dancers perform better when they are confident. Keep practicing at home to develop this confidence. I am so proud of how my dancers have grown thus far.

Please mark your calendars with this important date

Saturday February 15th 9:30 – 11:30 am
Father/Princess or Mother/Prince or 'Special Someone'

On Saturday Feb 15, we are excited to host our annual Valentine's Ball. This is always a very popular event here at **MSSOD**. This is a "dress up event" where lifelong memories will be made. All dancers aged 3-9 are invited to bring one special date (Dad, Mom, Grandparent or Special Someone) to dance with them. We will learn a very cute partner dance. Dancers will also show their new class routines to all. Parents are invited to arrive with cameras in hand to take video and pictures at the end of this performance at 11:15. We hope all will participate in this special event.

Recital tickets will go on sale in mid-May

Development patience for your dancer

We would love our dancers to learn and improve super fast but usually it doesn't work that way. We need to have plenty of patience with their learning practices and their performances at the competitions. Believe that **they are learning all of the time**. Some of the learning is invisible at the moment but will surface in time.

Parents want so much for their kids but remember, patience is important.

February Events

February 2nd is National Tutu Day!

Master Class with Ms Kim – Join Ms. Kim on Friday Feb 21st for Ballet & Jazz. This is **MANDATORY** for Company dancers, but all are welcome!

February 16 – 22 the studio will be closed for February break. We're open Sunday, February 23rd

Stay Healthy / Stay Home – As we continue through COVID/FLU season, we ask that if your dancer shows signs of illness including but not limited to fever, stomachache, vomiting, severe congestion and cough that you keep them home. Please don't spread germs to your fellow dancers and teachers.

Label Belongings– Now that winter is upon us, many students have the same boots, jackets etc. Please ensure your child has their name in all their belongings. We cannot be responsible for lost/stolen property but would like to help return items. Labeling is the easiest way to get things to their rightful owner.

Report Cards– Every student should have received their mid-term reports. If you did not, please contact Marilyn at mecaccamise@gmail.com

Recycle– I have a lot of water bottles left behind at night. Please be sure to **EMPTY** the water bottles and put them in the recycle bin in the lobby.

WE ASK FOR YOUR HELP IN KEEPING THE STUDIO CLEAN. PLEASE NO EATING AND ONLY WATER IS ALLOWED IN THE DANCE AREA

Poppin' Popcorn Fundraiser – Our Poppin' Popcorn fundraiser begins Feb 3 and goes until Feb 24. This is a great fundraiser where many earn **FREE** costumes! You must join online to receive credit in our group. Check out the email dated 1/28/25 for more info!

Getting to Know MSSOD Saturday Assistants

Ella, Abby, Olivia & Nick

Our MSSOD Saturday dancers are so fortunate to have these wonderful teens assisting Miss Sam and myself, helping every dancer as they learn new techniques, dances and of course make ups. These teens are not only fabulous dancers, but they are also excellent role models for our future stars.

Parents – if you ever have any questions about dances, policies, etc. these assistants will be most helpful to you.

NEWS! NEWS! NEWS!

In an effort to better communicate with parents, I have introduced mailbox folders for all dancers

Parents – please stop in the studio and check your dancer's mailbox folder routinely for future updates. The plastic containers with the folders are located in the waiting area.

Snow Days

We follow the Greece CSD weather closings. For perfect attendance it is not necessary to make these snow day classes up. However, you are welcome to take an extra class, if you desire
